With over 25 years experience in the design of quality fitted furniture for the home & office, we think we know a thing or two about what makes a room special..with clever storage ideas & those all important finishing touches - we're sure you'll be spoilt for choice...

* TV-Units

TV-Units *

* Fully wall hung bookcase & TV unit using sliding mirrored doors.

* The addition of funky colours brings a contemporary look to the home.

* TV's can be displayed on bespoke stainless steel swivelling poles, ideal for corners.

* 'Monos' uses only glass, it can be fully customised with CD racks through to crystal martini glasses for the drinks cabinet.

Incorporating LED backlighting you can really achieve a floating look effortlessly.

* TV surround with a choice of a custom made sideboard.

* Truly bespoke variations with your choice of colours.

* 'Crossing' fully wall hung system using the finest wood veneer's for the bookcase structure & piano finished high glass lacquer for the TV containers.

TaoDay' unit uses the addition of backboards which hide the huge variety of wires that link to the modern television.

* Sofas

* The 'Borderline' sofa available in many compassions using the finest leathers & fabrics, this comes with the British Fire Standard Certificate.

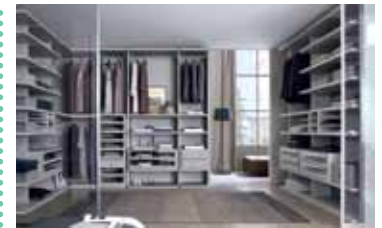

* The 'Sittin' sofa can be complemented with the addition of bookcases also matched with the 'Paco' coffee table. Available in leather or fabric.

Walk-in-Wardrobes *

* Walk-In-Wardrobes offer near limitless capabilities in achieving the perfect storage solution.

MisuraEmme offer many different styles of Walk In's. The use of long hanging, drawers & lovely Italian display boxes for storage, there is even a drawer to keep smaller items such as jewellery. Customise your walk in with a choice of many finishes & colours.

* Wardrobes by design... Truly personalise your wardrobes in any awkward space that you have. We Offer a hugely diverse range of glass colours to select from, with the added option for a soft closing system.

* 'Four' The sliding wardrobe consisting of four glass paneled sections.

* 'Segmenta' the iconic sliding wardrobe designed by the award winning Mauro Lipparini uses the combination of frosted & glossy glass.

Thick' the sliding door wardrobe that uses the highest quality of American walnut veneer, with the option to design your own interior.

* Hinged Door Wardrobes

* Glass doors shown here can be taken into the angles of a room. Also pictured glass soft closing drawers to match.

Acrylic doors above offer a high glass finish with a two tone silver edging.

* Hinged Door Wardrobes

* 'New York' uses frosted glass hinged doors with lines diamond cut in to create symmetry.

* 'Glass' simple silver mirrored doors to create light and space.

* Acrylic doors taken into the angle with matching bedside chests.

* 'Thick' hinged door uses an American walnut veneer 28mm thick.

* Beds

'Freda' bed with leather padded headboard and 'Geo' bedside chests.

'Slim' uses a high gloss lacquered headboard and base.

'Nuba' bed, the ever popular curved Italian designed bed. In a combination of colours in leathers or fabrics complying with British Standard Fire Regulations.

Sideboards, Chairs & Tables *

'Ala' table available in marble and travertine.
